EXCURSIONS

Our organization will be happy to organize excursions to cities of art, such as Rome, Venice, and Florence thanks to our collaborations with different Tour Operators. Details will be made available upon request.

VISA PRACTICES

From this year, visa practices will be followed by a dedicated agency. The organizing secretariat will make official invitation letters and, at the same time, send them to clubs and to the reference agency. The cost of the service will be in charge of the teams who will ask for the service. Prices will be communicated to this clubs at the time of the application and it will be required to be honored before the procedure begin.

The service does not guarantee in any way the issuance of the entry visa, but it ensures greater accessibility and closer collaboration with the clubs.

Clubs who will not want to attempt with the agency, will have to provide themselves to get, through the Italian Embassy in their country, a Visa, with the little help (very limited help) the Organization can give them.
